

Creativity is using your imagination to do something new.

Read: Colossians 1:16

DAY
1

God's Gift

Think about what gift God gave you! Is it drawing, singing, playing? Use the gift that God created in you to bless someone else today! Draw a picture, sing a song or invite someone to play. Whatever it is, use the gift that God created you with.

KNOW that God created you for a purpose.

DAY
3

All Things Created

This week's verse talks about how God created everything in heaven and earth! With a parent or friend read through this verse. After reading the verse set a timer for 60 seconds. Take turns naming things that God has created!

LOOK for the good God sees in you!

DAY
2

Seeing Your Purpose

Head outside and look for your shadow on the ground. Once you find it, list some of the amazing things God created you to do or be. For example: God made me kind or God made me smart.

(If it's a cloudy day try it another day or make a shadow on the wall using a flashlight.)

ASK God to help you see your purpose.

DAY
4

Your Purpose

All of us can show others how much God loves them. How we do that might change as we grow up, but you can still ask God to help you figure out how to do that right now!

~~~~~  
 "Dear God, Allow me to see how You want to use me. I want to do what You want me to do. Help me see how I can share Your love with others. Thank you for creating me with a purpose. In Jesus' name. Amen."

~~~~~  
THANK God for allowing you to use your purpose.

God created you
for a purpose.

Fill in the person below with drawings of all of the things you love and make you, **YOU!**
